# The Arxalma Song

WORDS BY  
Mildred E. Runyeon

MUSIC BY  
Luther W. Goodhart

The musical score is written for voice and piano. It consists of five systems of music, each with a vocal line (treble clef) and a piano accompaniment line (bass clef). The key signature has three flats (B-flat, E-flat, A-flat), and the time signature is common time (C). Dynamics include *f* (forte), *p* (piano), *mf* (mezzo-forte), and *mp* (mezzo-piano). The lyrics are as follows:

Foursquare her towers rise, Arx al ma fair!  
 Ever her care shall be To keep us true,  
 All down the years to come, Reverent we'll be!

Wide-spread her beauty lies, Arx al ma rare!  
 Up right, as piring, With fer vor due;  
 Turning our hearts and steps Home ward to thee;

Sheltered be neath her walls She keeps her own  
 Crowning our visions all Skyward doth gleam  
 And though our west ward ways May lead us far,

Children of liber ty, We call her home.  
 Our shining cita del, Strong and se rene.  
 We'll keep Arx al ma pure, Our guid ing star.

# 1977 Arxalma Dedicated

Since this year was a year to look back on the past and recognize the importance of anniversaries, as we've done in celebrating Reading Senior High School's fiftieth, we, the 1977 Arxalma staff, would also like to observe the three special anniversaries of Mr. Bertolet M. Bossler, Miss Kathleen L. Reilly, and Mr. William R. Seltzer.

In honor of the services of Mr. Bossler, Miss Reilly, and Mr. Seltzer who have contributed much to the successful production of the Arxalma, we would like to dedicate this year's Golden Anniversary Edition.

**Mr. Bertolet M. Bossler**

1976-1977 is not only the year of a golden anniversary at Reading High, but a silver anniversary as well. It commemorates Mr. Bertolet M. Bossler's twenty-fifth year with the Arxalma.

How can we begin to evaluate all that Mr. Bossler has done for the Arxalma? Since the beginning of his sponsorship with the 1953 Arxalma, Reading High has always had a yearbook that it could take pride in.

To Mr. Bossler, Arxalma isn't just a class period during the school day. It's time surrendered before school, during free periods, after school, and during late hours spent at his home checking and re-checking every detail in order to insure the production of a superior yearbook.

As a staff, we sometimes think of Mr. Bossler as only a sponsor who can devote all his time just to Arxalma. We periodically

forget that he is also a very fine English teacher and must spend time preparing his classes. We have come to admire and deeply respect Mr. Bossler for all the extra effort he is willing to put into working with each student's individual ideas while he still continues to teach first rate classes.

Recognizing everything Mr. Bossler has done for Reading High and the community, we would like to honor him and show our great appreciation by hoping that everyone at Reading High School and the community will realize his dedication of service to the "Castle on the Hill." Later in life, when we look back on our years at Reading High, our recollections will always be filled with fond and forever grateful memories of Mr. Bertolet M. Bossler.

Happy silver anniversary, and may you have the best always!

## in Observance of Anniversaries

Miss Kathleen L. Reilly

When Miss Kathleen L. Reilly was a Reading High School Senior, and a member of the 1950 Arxalma art staff, she had no idea that her graduation didn't mean the end of her yearbook work. She continued her education at college, became an art teacher, and in 1957 started teaching at her Alma Mater—Reading High School. Later, in 1962, she was named as art advisor of the Arxalma, and has been capably handling that position ever since.

We, the staff, would like to thank Miss Reilly for her fine efforts in "putting our ideas down on paper" and being a very necessary influence in making the Arxalma an attractive yearbook.

Happy fifteenth anniversary!

It is the untiring and ever-dedicated efforts of these three fine people that we will never forget, and furthermore, that we will be forever grateful.

We will always remember all the extra time and concern they volunteered and we hope that everyone will take time out to appreciate what they've done for Reading High School and the Arxalma.

We wish them the happiest of anniversaries and the best in years to come!

Celebrating his ninth anniversary with the Arxalma is Mr. William R. Seltzer.

Most of us around Reading High know Mr. Seltzer as "Bill, the guy with the camera who is always running around somewhere snapping pictures"; but what do we really know about him?

Mr. Bill Seltzer began his involvement with the Arxalma as a high school junior in 1969. During his eleventh grade year, Bill was a member of the Arxalma staff and student photographer. He continued his work as student photographer during his senior year, but he also acquired the added responsibility of being editor-in-chief of the 1970 Arxalma.

Even though Bill celebrated his high school commencement in June of 1970, he didn't "graduate" from Arxalma, as he helped out with the 1971, 72, 73, and 74 yearbooks aiding with paste-up work and doing free lance photography. This he did in addition to attending Antonelli's School of Photography in Philadelphia from 1970-1973. In April of 1974, Bill became a full time employee of Loring Studio, the official Arxalma photographer since 1974. Even though Bill spends many long studio hours and off hours on his photography, he nevertheless still finds time to come up to school and lend a helping hand.

On behalf of the 1977 Arxalma staff as well as all previous staffs, we should like to salute and thank him.

Mr. William R. Seltzer

## From the Editor

1976-1977.....What a year!

To begin - we didn't. School openings were delayed two weeks as a result of a teachers' strike. Sports activities continued, but class schedules, vacation time, and the general calendar had to be adjusted and revised.

Later in the year, the educational process again came to a halt as the governor declared a state-wide energy crisis and schools were closed in order to conserve precious energy producing materials.

Seniors learned that they were now required by the state to attend school the entire scheduled 180 days. Traditionally, the graduating class would finish about two weeks ahead of the underclassmen.

But was 1976-1977 really as bad as all that?

Definite advancements were made in Reading High's curriculum. Semester courses made their debut giving the students more of an opportunity to choose from a wider variety of courses.

Improvements in the building and campus grounds were made. New steps were added, leading to the annex from the front and side, and new railings were provided for the front steps of the main building. For a special touch, a knight head insignia symbolizing the spirit of Reading High School "Red Knights" was painted on the esplanade by Victoria Wade, a senior.

This year also commemorated Reading High School's golden anniversary of service to the community. As a special tribute for this occasion, an anniversary "party" complete with cake for everyone was held in the school cafeteria on March 31, 1977 during the lunch periods. Reading High School's Alumni Association also sponsored a banquet honoring the "Castle on the Hill" on May 5, 1977. This year's edition of the Arxalma is also dedicated to Reading High as the "Golden Anniversary Edition." As depicted on the various division pages of our yearbook, the past influences the events of the present just as much as the future affects the present.

Since 1927, the "Castle on the Hill" has served as the molding place for the leaders of tomorrow. Looking back on those fifty years, dear old Reading High has done a fine job in preparing the youth of yesterday and today, and when we read about her history and heritage, we can read with pride, and look to the future with confidence.

Happy Anniversary, Reading Senior High School!

Personally, I feel 1976-1977 was in some respects a rough year, but in others it was one of the best. It was a year that meant a lot to me. It was one that I, and I hope you, too, never want to forget. One of my deepest wishes is that this yearbook will help 1976-1977 memories live on and remain a part of us forever.

*Sincerely,*

Reading Senior High School  
Built - 1926

**Foursquare her towers rise, . . .**

On July 22, 1925 the ground was broken and the building of a new co-educational high school was begun. This was the first attempt at co-education since 1859. On June 12, 1926 with an impressive ceremony, the cornerstone was laid; and on September 7, 1927 the new Reading Senior High School opened its doors to the students of Reading. At a formal flag raising and dedication on October 1, 1927 the Reading Company presented the school with an American Flag and the Spanish War veterans gave a salute.

Because of its medieval motif, we often refer to Reading High as the "Castle on the Hill." This phrase was first used by Mr. Will Durant, a renowned philosopher and author who spoke at the P.S.E.A. convention in December 1928. Mr. Carl Cassel, vice principal from 1928-1935, could be called responsible for keeping this image alive because of his continual references to the school as the "Castle."

**. . . Arx Alma fair!**

**Wide-spread her beauty lies . . .**

Now a thirty-five acre area including Hampden Park, the \$1,650,000 structure was built of yellow facing brick. In February of 1929 the gymnasium erected northeast of the main building was opened. These two buildings were connected by an underground tunnel which was in use until 1973. The auto shop was built in 1931, and in 1939 a much needed practice field, cinder track, and field house were added. Then in 1972 the Dr. Ralph C. Geigle Education Complex, commonly referred to as "the annex," valued at \$7,900,000 was constructed in place of the athletic fields north of the main building, and opened in September 1973 in order to accommodate all tenth, eleventh, and twelfth grades. Previously, students from Northwest and Southwest didn't enter the high school until their junior year, a practice which was begun in 1936 as a result of over-crowded conditions.

Having an original worth of \$1,650,000, Reading High is now valued at \$21,000,000.

**. . . Arx Alma rare!**

**Sheltered beneath her walls . . .**

With the construction of the Dr. Ralph C. Geigle Education Complex, Reading High acquired new gymnasium facilities with a seating capacity of 3400, a natatorium, a cafeteria which prepares lunches for the entire school district, and fifteen more classrooms. A new library replaced the old cafeteria in the main building.

**. . . She keeps her own**

**Children of liberty; . . .**

Originally, the "Castle" was built to accommodate 1800 students, but now holds up to 2800 and graduates an average of 750 - 800 each year.

School Seal

**School Motto**  
**"Dic Cur Hic"**

(Tell Why You Are Here)

Our official school seal was originally designed in 1907 by Joseph Weitzenkorn for use at the High School for Boys. Its design contains the colors red and black, which have become the school colors, and the Latin motto "Dic Cur Hic" meaning "Tell Why You Are Here."

Another carry-over from the Boys' High is the school newspaper "The Red and Black" which was first published in November 1897 as a monthly. In September of 1927, it appeared as a weekly as it does today.

Miss Betty Stoudt, a member of the first graduating class, originated the name "Arxalma", meaning "fostering citadel", for the "Castle's" yearbook, first published in January 1928.

One hazy winter morning in 1930 Miss Mildred E. Bunyeon, a Reading High graduate and English teacher, was climbing the hill to school and all she could see was the four Castle towers pointing to the sky. This beautiful sight inspired her to write a poem when she arrived at school which developed into the words of our school song "The Arxalma Song." Mr. Luther Goodhart, also an alumnus and music teacher, wrote the melody. This song was used for the first time in the first commencement pageant "Fair Learning's Gift" in June of 1930.

Since 1974, the Dr. Ralph C. Geigle Education Complex was used for more than a center for athletic events. From that year to the present, commencement exercises were held in the gymnasium. Our present-day graduation ceremonies include such features as slide programs, speakers, student talent, and, of course, the traditional procession and presentation of diplomas.

## . . . . Its Golden Anniversary

As in most true histories, some tragedy usually occurs and, unfortunately, this is no exception. On February 11, 1975, a disastrous fire destroyed the "Castle's" auditorium. As a result of the one million dollar catastrophe, the heart beat of the school was silenced for months. After being completely renovated, the facility was first used publicly on April 20, 1976 for the opening night of the school show "George M."

Yes, some things have changed at Reading High School since the doors were first opened in 1927. There have been many changes in the main building. We no longer have the "Red and Black On-the-Air" program, but we now have the "Knight Life" school television show. Boys are taking home economics, and girls are taking shops, and the Reading-Muhlenberg Area Vocational-Technical School has added a new dimension to high school education.

Despite all these changes, one thing has remained constant, and that is the respect and pride which each student and person connected with Reading High can have. Developing the leaders of tomorrow is a difficult task, but Reading High School has been doing a very admirable job for fifty years, and for this we should respect and thank her.

In the future, the "Castle" will be only a memory to us. We will look back to our years at Reading High School, and maybe think briefly of something which we could have done differently, but no matter what the case, we will realize that Reading High has been a definite influence in making us what we are, and for that we should be grateful.

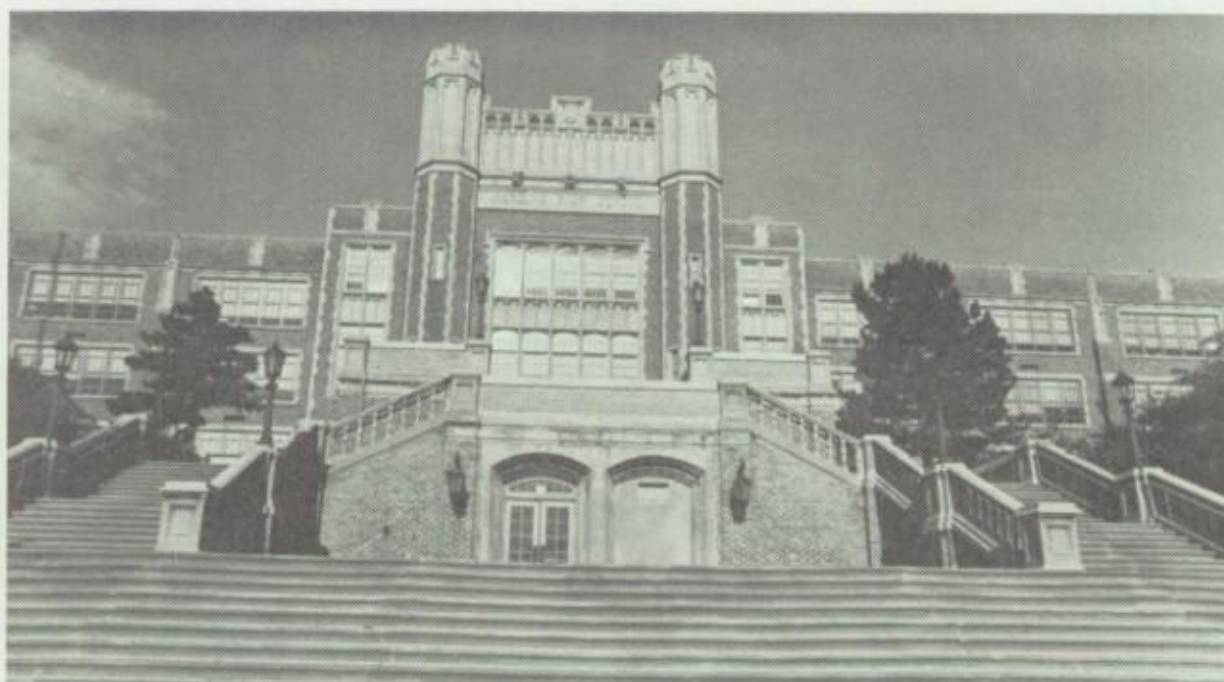

May the future of Reading High School continue to be bright!

Stott, Esq., Solicitor for the Board of Education of the Reading School District; Mrs. Jane Bishop, Member (Elected by the Board of Education to fill the unexpired term of Mr. Harold R. Jackson)

During the December 1976 reorganization meeting of the Board of Education of the Reading School District, Mr. Mark L. Brown was named president of this important educational group. Upon assuming his new role, he announced three objectives he hoped to fulfill during his term in office; First, "I shall neither hesitate to rebuke members of this board who contribute to lowering the respect that an elected board should receive, nor will I hesitate to defend this board from public attacks based upon prejudice of erroneous information. I will insist that the board do its business in a business-like fashion and attend to its concerns promptly." Second, "I shall press for the building of a new school to replace Riverside, Charles Foos and Fifth and Spring schools, an addition to Tenth and Green school to relieve overcrowding, and support whatever physical changes are needed for the modernization of our buildings." Third, "I will take leadership in pressing for curriculum change and whatever changes may need to be made in administration."

Mr. Mark Brown is well qualified for his new civic role as president of the School Board. His background includes his work as eastern representative of the Department of Labor Studies of Pennsylvania State University, Chairman of the Teachers and Instruction Committee of the Board of Education, Chairman of the Reading-Muhlenberg Vocational-Technical Joint School Committee,

and a member of the health, medical and museum committees. Mr. Brown also taught two years at Reading High School, and has been active in labor organizations in the community, state and nation.

Personnel changes on the Board were Mr. Harold R. Jackson's announcement of his resignation to be effective as of April 27, 1977; and the school board election of Mrs. Jane Bishop to fill the unexpired term of Mr. Jackson.

As in previous years, the Board of Education endeavored to provide the necessary ways and means whereby educational programs could be enriched or expanded, school services could be increased, sound new educational practices could be introduced, and educational facilities could be provided for, enlarged, or modernized.

In addition, the Board of Education also capably handled countless other routine and special matters which provided for the continuous enrichment of the school curricula, and the expansion of school services and facilities.

Continuing the policy established last year, a student from Reading High School served as a representative to the Board of Education.

Because of the continuous foresight and dynamic action of the Board of Education, the Reading School District continues to be known as one of the outstanding school systems in Pennsylvania.

## PRINCIPAL'S MESSAGE

Reading High School's Golden Anniversary;  
Fifty years of education at the 'Castle on the Hill'.

As I review the archives noting the achievements of the seven principals and their staffs, I am greatly impressed with the richness, heritage, academic achievements, cultural enrichment, sports and activities, and the sociability thousands of Reading people have shared over the years in this educational community.

### The New High School

Boys' High School and the Girls' High School were merged as the 'new' Reading High School formally opened September 7, 1927 with Miss Mary Hunter Mayer and Mr. John H. Eisenhower performing as co-principals the inaugural year. This was the second attempt at co-education in Reading in the public secondary schools, the first starting in 1859, and later separated to Boys' High, and Girls' High in 1881.

### Growth

The 'Castle' was built to accommodate 1,800 students, but over the years the average annual enrollment has been over 2,700. In 1935 a peak enrollment was reached with 3,389 students. This large student body caused the transfer of half the tenth grade students back to two of the four junior high schools in the city. Reading High School practiced double graduations each year from 1927 through 1936. The largest graduating class was the Class of 1965 with 888 young men and women earning their diplomas. Reading High School, monetarily-wise, has grown as far as physical plant from a building that cost \$1,650,000 in 1926 to a vast complex assessed at \$18,860,000 in 1976 for the buildings and grounds, not including the 'inner-workings' such as furniture, supplies, books, and equipment that may swell the price tag to nearly \$25 million.

# in Planning New Educational Horizons

As the graduates of the Class of 1977 depart from Reading High School, their ranks will swell the number of graduates in 50 years to 34,065. Thousands of success stories are included among the alumni — judges, lawyers, teachers; religious, Broadway and television stars, musicians, major league football and baseball stars, doctors, foreign correspondents, University presidents, corporation leaders, and, perhaps most important of all, parents of countless thousands of children who have molded the foundation of our city, and county, and nation over the years.

## Most Cherished Memories

Many of the honored graduates have lived by the motto, "We gain by what we offer." Those who have the most cherished memories of the Castle on the Hill are the students who have worked very hard and have put forth their best effort in all phases of school life.

As the late Earl A. Master (Reading High principal, 1944-1955) noted on the occasion of the Silver Anniversary in 1952, "Anniversaries are important. They supply the motive to review the past, and plan for the future. We have looked with pride on the achievements of the past; We have measured our growth, and evaluated our progress." Likewise, we, here, in 1977 constantly seek to take stock of what we are doing, so as to better serve our youth, so as to better serve our society.

## Accepting Change

In 1952, Reading High School paused to look at its 25 year history. This year (1977) we pause to review and honor the heritage and achievements of the past fifty years. The Reading Highs of 1927, 1952, and 1977 are greatly different; the 75th anniversary class will undoubtedly present a completely changed school by the year 2,002. The schools, and students,

and teachers were from 'another era' in 1927; I doubt if we could presently identify with the high school-to-be in the 21st Century. We must accept change however, for change is one of the few permanent features in this life.

## Challenge of the Future

This then, may be the challenge of the future for all of us. To honor the heritage of the past, to learn from our mistakes, and to modify our patterns of living so as to be sociable, kind, and helpful to all mankind in an increasingly automated world, while endeavoring to meet the new challenges of a constantly changing society. Memorization of facts was once considered proper 'gymnastics' for the mind, while today we must endeavor to teach our youngsters how to learn, how to think, and where to go to seek knowledge, and to master techniques of modern living.

Finally, in honoring the heritage of the past, we borrow a passage from the last yearbook (Epitome) from the old Girls' High School, June, 1927:

"If we work upon marble, it will perish;  
If we work upon brass, time will efface it;  
If we rear temples, they will crumble into dust;  
But, if we work upon immortal souls, if we  
improve them with principles, with the love  
of God, and fellow men, we engrave on those  
tablets something which brightens all eternity."

To Reading High School, its past and future, to all its graduates the past fifty years, and to you the graduates of the Class of 1977, may you be included in the love of God, which will brighten all eternity.

SEATED—Mrs. Pearl Richards, Mrs. Harriet Moodhart, Mrs. Judith Heins, Mrs. Doris Blank, Mrs. Gloria Stoudt, Mrs. Patricia Moyer, Mrs. Mae Lutz, Mrs. Eleonore Klusewitz, Mrs. Ann Wood; STANDING—Mrs. Louise Helbig, Mrs. Catherine Krick, Mrs. Leona Switek, Mrs. Mildred Biros, Mrs. Jeanette Rubright, Mrs. Rosemary Crupi, Mrs. Eleanor Burgess, Mrs. Jeanette Klick, Mrs. Ella Kocivar, Mrs. Dorothy Chelstowski, Mrs. Marie Noll, Mrs. Juanita Linette, Mrs. Verna Mest, Mrs. Rosalind Heinly; ABSENT—Mrs. Catherine Pantaleo, Mrs. Sara Pawling, Mrs. Darlene Shaffer

Initially, the school cafeteria was located on the third floor of the main building where the new library now exists. With the construction of the Dr. Ralph C. Geigle Complex, a commissary was established which included a modern high school cafeteria, and additional facilities to prepare and serve food for schools in the district.

Each day the commissary provided food for Reading High School students and served as a food distribution center for thirteen elementary schools, four junior high schools, as well as fourteen head start groups, three day care units and the special education center.

Featured as a special innovation this year was a breakfast served daily from 8:30 A.M. to 10:52 P.M. for the benefit of students and faculty.

In addition to using the facilities for the lunch program, the cafeteria was used throughout the year as a student center during the day, and for numerous school activities in the afternoon and evening such as for student and faculty meetings, banquets, fashion shows and other school related events.

*One of the many events held in the school cafeteria this past year was the Big Red Machine banquet featuring Congressman Gus Yatron as speaker.*

# SENIORS

# Class Leaders Stimulate Participation In Senior Programs

**Mr. Ronald L. Spickler**  
*Head Sponsor*

*To the Class of 1977:*

Anniversaries are important. They supply the motive to review the past and plan for the future. We can look back with pride on the achievements of the past. We can measure our growth and evaluate our progress. And we can plan for the future.

You, the Class of '77', can look back at the accomplishments of our Alma Mater and can remember the many events of your brief stay at Reading High with great pride and pleasure.

To the Class of 1977, I wish continuing success and good fortune in the years ahead.

*Sincerely,*  
Ronald L. Spickler

*Tomorrow . . .*

*. . . Let's make it better than today.*

Today we are facing a crucial time in our lives. The goals we set and the decisions we make now will affect us for the rest of our lives. Sometimes in the confusion of day-to-day living we lose sight of our priorities. We react impulsively to our problems, without thinking about the consequences of our actions. Often, this results in immediate satisfaction, but in long-time disaster.

Thoughtful planning now can insure the success of tomorrow. The past three years we have spent at Reading High School have helped us to grow and have given us the background which will enable us to meet the challenges of tomorrow.

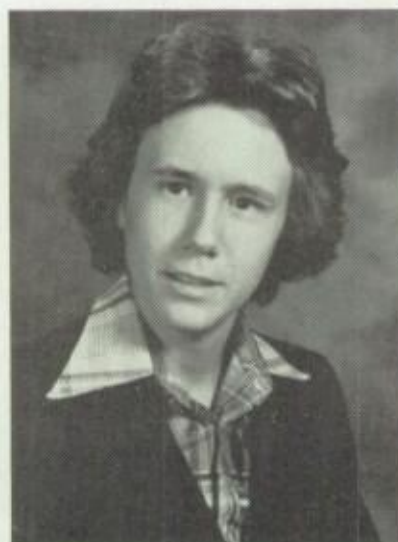

As we make the transition from the world of Reading High School into the world of post-Reading High School life, we will be faced with new responsibilities. The diploma that we receive upon graduation is a symbol of the added responsibilities of adulthood.

As we, the Class of 1977, take on new responsibilities, we can say good-bye to the boys and girls and long-time friends of today, and greet the men and women and new friends of tomorrow.

As president of the Class of 1977, I'd like to greet and congratulate each member of our great class—the class of tomorrow! Success, love, and happiness to all!

*Sincerely,*  
Zenta L. Thomas

# Executive Committee's Projects Prove Successful

Class officers plus representatives from the twenty-five homerooms served as the student administrative unit for the Class of 1977.

This group known as the Senior Executive Committee, assisted by the sponsors, determined the general plan of senior activities for the year. In addition, members of the group served as nuclei for the various minor senior committees which were composed of student volunteers from the senior class.

Activities sponsored during the year were senior party night which was held in the old gym on January 22, 1977, the senior prom which took place at the Abraham Lincoln Motor Inn on June 10, 1977, the class trip to Great Adventure Land on June 3, 1977, and the presentation of movies in the high school auditorium in the fall and spring of the school term.

Through the leadership of the members of the Senior Executive Committee, the class officers, and the sponsors, the Class of '77' was able to enjoy an eventful senior year.

Red and Black has the distinction of being one of the oldest school publications in the Commonwealth of Pennsylvania. In fact, it has kept people well informed of school happenings for a period of seventy-nine years, fifty of which have been at Reading High School.

Development of the Red and Black to its format of today started in 1858 with a publication known as *The Album*. Later, in 1860, *The Piper* and *The Blower* came into existence. Both lasted a very short time. Through 1876-1877 *The Amateur Press* was produced, then came *The Grand Old Publication* more popularly referred to as the *G. O. P.* in November 1897. Eventually, in 1898, *The Red and Black* emerged as the school's first official newspaper as we know it.

Today, the school's newspaper, although smaller, still contains interesting news items, sports reviews, feature articles, and editorials.

Over a period of years, the Red and Black has earned a number of first and second place awards from both the Columbia Scholastic Press Association and the Pennsylvania School Press Association.

One little known fact of interest is that according to *The Academy...To Castle* publication of 1951, the Reading High School seal was adapted from a 1906 Red and Black cover design.

Serving as the liaison unit between the student body and the administration was a group known as the Student Council. This body, which formed the first council homeroom in the school's history, consisted of thirty students, each grade being represented by ten elected members.

One of the groups major projects this year was the preparation of student identification cards. Costs and operation of the various machines used for this activity constituted a combined effort of this and other school organizations.

Highlighting the activities for the year was the hosting of the District Thirteen convention at the high school on April 25, 1977 in which a total of two hundred and twenty students from twenty-seven Berks and Schuylkill county schools attended. Kenneth Marks, Executive Secretary of the Pennsylvania Association of Student Councils, was the guest speaker.

*Mitchell Youngerman, student council representative to the Board of Education, explains the school board procedures to his alternate Ann Calvaresi.*

*Great time and effort were spent in preparing approximately three thousand identification cards.*

Seniors interested in gaining preliminary knowledge and experience for future careers in the fields of physical education, health, and recreation could acquire this valuable background through a special elective known as Advanced Physical Education.

In this program, these students were required to take the mandatory two period per week physical education classes plus five extra periods weekly in which they received their training.

After a period of assisting the instructor, the trainees were allowed to conduct the classes under the supervision of the teacher.

*One of the many duties of the trainees was to set up gym equipment for the respective classes.*

## Off-Campus Program Provides Opportunity for Future Careers

*District Coordinator—Mr. Frank Stevenson, Jr.  
High School Coordinator—Mr. Ramon R. Zeller*

Senior students who were interested in gaining experience in working with children in a school environment were invited to select the Student Instructional Aides elective.

As a result of the training which these students received, they acquired essential preliminary backgrounds for later careers in day care centers, elementary education, and the social services.

As in previous years, the program was divided into two sections in which a student could work two or three periods per day, and at the same time earn one or two academic credits. Again, boys as well as girls were allowed to participate.

Increases in enrollment since the beginning of the program three years ago proved to show the popularity of the course.

# Learning-Experience Elective Provides Comprehensive Background

*Librarians*—Mrs. Eleanor B. Printz

Kathleen Gallagher

Little do students realize the many services members of the library staff must render daily. Under the supervision of the librarians, the student trainees were always busily engaged in fulfilling numerous tasks either at the desk, in the workroom, or in other sections of the library. Large scale projects that were completed continuously throughout the year included the processing of new books for distribution, the repairing of old ones, and the replacing of old newspapers and magazines with current issues.

Often a number of students chose the library profession as a career, because of the basic training and experience which they received in the library science exploratory course.

This year clerical duties in the department were capably handled by Mrs. Wilma Smith. She succeeded Mrs. Nancy Taylor who was transferred to the Administration Building of the school district.

# Teacher Volunteers to Serve as New Sponsor of Club

*Sponsor—Mr. Ronald C. Dunkelberger*

Lack of a new sponsor at the opening of school last fall delayed the start of the Health Careers Club. Later, realizing the group's need, Mr. Ronald C. Dunkelberger volunteered to serve as new advisor for the organization.

Objectives of the club were to make its members aware of the opportunities and rewards of careers in the health and medical fields.

To accomplish its goals, the group's activities included field trips to hospitals and local labs, guest speakers at the monthly meeting, and further specialized career orientation for the members through the use of films and film strips.

## New Interest

## Leads To Re-organization of Former Business Group

*Co-sponsors—Miss Elizabeth J. McCombie  
Miss Marilyn E. Seiders*

After a two year absence from the student activities program of Reading High School, the Future Business Leaders of America (F.B.L.A.), Chapter # 1428, was re-established at the "Castle-on-the-Hill" under the supervision of Miss Elizabeth J. McCombie and Miss Marilyn E. Seiders.

Chief aims of the organization were to develop competent, aggressive business leaders who have confidence in themselves and their work.

In its first year of re-organization, the group participated in the Regional Fall Workshop held at Oley Valley High School on December 15, 1976. In addition, plans were also made to attend the state convention at Lancaster, Pennsylvania on May 1-3, 1977, and the national conclave at Denver, Colorado July 1-4, 1977.

*Under the supervision of Miss Elizabeth J. McCombie, co-sponsor, the officers proudly display the official banner of the group at the initial re-organizational meeting.*

What school organization promoted an interest in the professional field of education? Obviously, the answer was the Reading Youth Education Association, formerly known as the Future Teachers of America.

Aims of the organization were to acquaint members as to the responsibilities, opportunities and rewards of the teaching profession and its related fields.

As a special project honoring the faculty at Reading High, R.Y.E.A. sponsored a teachers' day during American Education week. This recognition was shown through the distribution of appreciation cards and token pens to each teacher.

As in previous years, the senior baby picture contest proved to be one of the association's popular social activities.

*Club favors for teacher appreciation day were carefully designed, prepared and distributed by members of the Reading Youth Education Association.*

# Special Aids Enliven Classroom Instruction

*Coordinator—Mr. Thurwald Gommer*

Serving as the base for distribution of audio-visual and thermal materials for classroom instruction was the A-V Center located at the rear of the library.

Utilized daily were movie projectors, record players, tape recorders, slide sound projectors, films and filmstrips. When not in use, microphones used in the auditorium, gymnasium, and cafeteria were also placed in storage in this same center.

Other aids available were copy machines, thermal and duplicating equipment plus miscellaneous materials.

*Mr. Thurwald Gommer, coordinator, checks the schedule to see what aids are to be distributed throughout the school for the forthcoming day.*

## School Store Features New Item

*Manager—Mr. Jeffrey E. Gattone*

One of the busy spots at the Castle before and after school each day was the school store where numerous students could always be found purchasing a variety of stationery supplies or refreshments.

Since its start as a Key Club project in 1971, the inventory was expanded annually. Newly-added to the store last year were self-serving vending machines which offered a wide range of delicacies. As an additional feature this current school term, the store offered a wide selection of class rings for student examination and purchase.

Attracting the student and community interest on an increasing scale annually was Reading High School's popular television show known as Knight Life. Telecasts which were directed and produced by students took place every Monday evening at 8:00 in the school studio adjacent to the library.

Featured on the weekly programs throughout the year were a variety of interesting, informative, and entertaining programs such as quiz and talent shows, interviews with school administrators, and the exciting dating game.

Mr. Thomas A. Fox, sponsor of Knight Life, accepted the National Cable Television Association Award for Reading High School's pioneer participation in the unique interactive cable television program of student councils involving four schools in a simultaneous telecast.

# Active School Club Participates in New Gigantic Project

Sponsor—Mr. Ronald L. Spickler

Throughout the year, members of Key Club were busy continuously with a variety of activities for the school and the community.

For the school, the club sponsored the sixth annual Homecoming Queen Contest in October, and the traditional Leader Banquet which was held on Tuesday, April 26, 1977.

Community services included the Senior Citizen bingo game and spot radio announcements urging people to vote.

Highlighting the fund raising projects were cake sales to raise money for the club treasury, and the Sweetheart Contest on Valentine's Day whereby student donations were accepted for the Heart Fund.

As a special joint effort, Key Club and Student Council prepared pictures for student identification cards.

In addition, club members participated in the State Key Club Convention held in Downingtown, Pennsylvania on March 16, 17, 18, 1977.

Officers and the sponsor met periodically to discuss plans for forthcoming projects.

# Honorary Organization

*Sponsor*—Miss Bonnie L. Brown

Serving as a new sponsor for National Honor Society this past year was Miss Bonnie L. Brown. She succeeded Mr. H. Robert Barrett and Mr. Joseph G. Plank who were co-sponsors of the organization for a period of five years.

With a change in sponsorship, different procedures in determining student eligibility for membership were also introduced. For basic consideration, seniors had to achieve a scholastic average of at least a B. On the other hand, juniors had to earn honor roll ratings the first marking period. After meeting these respective qualifications, students were directed to compile a cumulative record of school and community activities. In the meantime, names of all candidates were submitted to teachers for further evaluation. Finally, the teacher evaluations and the student activity records were weighed accordingly by a five member panel.

*Aiding Miss Bonnie L. Brown in conducting her first induction ceremony were the mistress of ceremonies and previous members of the society, who served as speakers for the occasion.*

# Changes Sponsorship and Procedures

*Sponsor*—Miss Bonnie L. Brown

On March 2, 1977 during a solemn ceremony in the auditorium, ninety-two students including seventy-four seniors and eighteen juniors were inducted into the National Honor Society.

During the course of the evening, speeches were given, the traditional pledge was administered, and refreshments were served. Speeches on the four cardinal principles of the organization were emphasized by Andrea Wilikofsky on scholarship; Christopher Hoh, on leadership; Santina Bolig, on character; and Kerry Eberly, on service. Conducting the induction for her first time was Miss Bonnie L. Brown, sponsor. Before leaving, parents, friends, and students enjoyed an informal gathering in the main lobby for refreshments.

# Energetic Student Volunteers Render Valuable Assistance

*Sponsor—Mrs. Janice L. Fundyga*

Students who sacrificed their study periods in order to render countless routine and special services in the general office were known as Office Messengers.

Basically, their tasks consisted of stapling and distributing morning and afternoon attendance bulletins, placing mail in teachers' mailboxes, filing computerized attendance cards, and even delivering small packages.

This year marked the highest number of male participants in this student volunteer program.

Derived from the Swahili language, Baba-Na-Kaka means "brothers and sisters." In its initial year as a school organization in 1971, the group presented the "Black Experience" extravaganza. Brought to the stage in 1972 was the production of "Moving On Up." In 1973, during the second week in February known as Black American Week, Jessie Owens, the outstanding Olympic star of 1936, gave a stirring message in a special assembly program. Throughout Afro-

American History Week in 1974, club members visited social studies classes leading discussions on black history and culture. In 1975, the group erected informative displays in the exhibit cases in the lobby. For 1976, the Babá-Na-Kaka Club sponsored the Navy Rock Band for a student body assembly.

As its main activities in 1977, the club honored Mrs. Mabel J. Davis, for her dedication to her job as vice principal, Dianne Wagner for her outstanding performance in the javelin division of the girls' track team, and Vincent Wolf for his loyalty and pride to and for the football team.

Since its origin and to the present, Castle Spirit Club has endeavored annually to stimulate school loyalty and student enthusiasm by sponsoring dynamic programs.

Special projects utilized to fulfill club aims were the sponsoring of student buses to away athletic events and the decorating of varsity football and basketball players' lockers. In a similar vein, club members wrapped the goal posts with red and black crepe paper for home football games.

Unique in the club's program was the preparation of scrapbooks for seniors on the football team, and for every player on the basketball team.

*Senior football players were intrigued with the personalized scrapbooks presented to them by the Castle Spirit Club at the Second Annual Big Red Machine Appreciation Dinner on December 1, 1976.*

*Additional Red Knight spirit and support for our players were made possible through the club's sponsorship of student buses to off-campus sports events.*

*Goal posts decorated in school colors had a stimulating effect on fans and players alike.*

# U. N. Club Debates Way to International Champion Position

Sponsor—Mrs. Jess F. Cwiklinski

By first winning the North American Invitational Model United Nations Conference, and then later the National High School Model United Nations Conference, the United Nations Club earned the title of International Champions. Both of these conferences attracted students from all over the United States - the latter drawing additional representatives from the countries of Puerto Rico and Canada.

Meeting Thursdays at 3:05 P.M. in Room 223, U.N. Club did research, had mock debates and attended many different training seminars at school and off campus.

In addition they visited U.N. missions in New York City, embassies in Washington, D.C., and participated in five major conferences.

# Community Group Enriches Program by New Projects

Basically, encouraging increased student and parent support for the varsity football program at the Castle was the main objective of the Big Red Machine Association. Meetings were held every Wednesday night in the student cafeteria during the football season, and monthly the remainder of the school year.

Main activities of the group were an anniversary party which marked the second year of the organization's existence, a picnic for the football team, a senior breakfast, and the Second Annual Appreciation Dinner for the players and cheerleaders held on December 1, 1976 in the student cafeteria. At the latter event, individual achievement awards and scrapbooks were presented to members of the team. Featured speaker for the evening was the Honorable Gus Yatron.

Special projects included the purchase of weight training equipment and red blazers for members of the coaching staff and team.

Highlighting the fund-raising projects were tasty spaghetti dinners and car washes.

*During the year, officers met informally to discuss the progress of the projects undertaken by club members.*

What's the organization which was formed to promote a community spirit and a support for both the boys' and girls' basketball programs? Of course, it's the Hoopsters!

Meetings were held every other Monday during basketball season and once a month off season.

Purchase of red and black jackets for the varsity basketball players and managers constituted the group's major project. Other club activities included the presentation of sweaters and ceramic basketball players to varsity girls and boys basketball players respectively.

Fund raising projects were raffles, membership dues, and personal contributions.

## New Style of Music Featured in Choral Elective

*Director—Ms. Sandra R. Sittler*

Reading High School's choral department has expanded to include a completely new elective, namely Swing Choir.

Fifteen members constituted the group which was formed for the purpose of familiarizing students with modern music. Participants learned to sing jazz, rock, and pop music, improvise, and perform with back-up musicians whenever possible.

# Committee Recognizes Outstanding Non-Athletic Achievements

*Chairman—Mr. William H. Clouser*

This joint committee was responsible for recognizing outstanding student services rendered in non-athletic activities.

Members carefully chose activities to be evaluated, the joint value to be assigned to each, and the cumulative number of points needed to receive an award.

One percent of the students of the senior class who earned the highest number of points, were qualified to receive the coveted gold "R".

Students who wished to learn more about the Bible on a voluntary basis were invited to attend meetings in Room 14 before school and Room 218 after school.

For the most part, the students who attended these sessions devoted most of their time to the study of biblical literature and group discussions.

As a special project, Prayer and Share Club placed a daily Bible quotation on a marquee in the school lobby.

## Ensemble Features Medieval Music

*Sponsor*—Ms. Sandra R. Sittler

Madrigal singers? Sounds like something out of the medieval period. Well, that's exactly what inspired this musical group.

Under the direction of Ms. Sittler, the vocal talents of these "Medieval Lords and Ladies" were blended twice a week in preparation for school and community performances.

ROW 1—Anne Koller, Lisa Krzak, Karen Yoder; ROW 2—Lydia Davis, Joseph Hammer, Jeffrey Landis, Johanna Gilyard; ROW 3—James Smither, Peter Como, Christopher Hoh, Douglas Holder; ABSENT—Dianna Noll

## New Group Added to Musical Organizations

*Sponsor*—Ms. Sandra R. Sittler

Appearing on the Reading High School musical scene for the first time this year was a new group known as the Recorder Consort.

Throughout the year, the group prepared medieval music for public performances and for accompaniment with the Madrigal Ensemble.

ROW 1—Kirk Wentzel, David Bowman, Brett Feinauer; ROW 2—Ms. Sandra R. Sittler, Tricia McMackin, Leslie McMackin, Kimberly Hertzog, Karen Johnston; ABSENT—Christopher Hoh, Roberta Davis, Frances Edwards

## Girls' Chorus Prepares for Concert

*Sponsor*—Ms. Sandra R. Sittler

Basically this course was offered to give girls the opportunity to learn and master the technique of two and three part choral music.

Highlight of this group's performances was for the Spring Concert on May 18, 1977 in the school auditorium.

ROW 1—Ann Holden, Mary Fry, Cindy Hill, Robin Brobst, Gloria Cooper; ROW 2—Karin Krasevac, Lori Pfleger, Jeanette Bennett, Barbara Eyer, Lorrie Perry, Linda Lachman; ABSENT—Susan Delp, Starr Cooper

# Chess Club Again Earns Second Place in League Competition

*Sponsor*—Mr. Curtis I. Schappell

For the third consecutive year, Mr. Curtis I. Schappell served as sponsor of Reading High School's Chess Club. Under his supervision, the club earned first place in 1975 and second in 1976 and 1977 in the Berks County Chess League competition.

In the intra-club program, final board positions for this season according to rank from one to eight were Michael Lessie, first, followed by Kerry Eberly, Gregory Shell, Christopher Seifrit, Jay Gibson, Philip Wann, Wayne Bearstler and John Kralles.

Scheduled as an end of the year activity was the club's plans to participate in the Philadelphia Futurity Tournament in March.

*Mr. Curtis I. Schappell, sponsor, and Michael Lessie, treasurer, present the trophy to Dr. Richard P. Flannery, principal, which the club won at the Philadelphia Futurity Tournament in March.*

## German Club Reactivated After Year's Absence

*Sponsor*—Mr. Edward J. Becker

Membership and active participation in German Club gave students an opportunity to gain a broader view of the social, economic, political and cultural backgrounds of Germany—both past and present.

Projects planned for the year were candy and cake sales, a skating party, and a trip to New York City in the spring.

*Officers and the club sponsor scan German magazines in search of interesting topics for club discussion.*

# Debating Club Keeps Firm Grip on Trophy

## Debating Members

ROW 1—Mr. James A. Achenbach, sponsor; Marcia Berman, Rochelle Kauffman, William Eltz, Elizabeth Hoffman; ROW 2—Jon Doherty, Jeffrey Yoder, Karin Krasevac, Joseph Speck; ROW 3—Christopher Hoh, Steven Richardson, Randy Hoffman, Emmett Lien

*Sponsor*—Mr. James A. Achenbach

Highlights of this season's debating matches were the Haverford Invitational Debate Tournament held October 9, 1976, the Bronx Science High School Invitational Debate and Speech Tournament on October 15, 16, and 17, 1976, and the Harvard University Invitational Debate Tournament on February 17, 18, 19, and 20, 1977. Notable victories included winning over Muhlenberg High School in two out of three matches, thus retaining the Berks County Speech League and Debate Trophy, and a victory over Notre Dame High School.

Personal victories were scored by Steve Richardson and Emmett Lien, both placed second as speakers at the Bell Invitational Debate and Speech Tournament at the University of Pennsylvania, January 22, 1977.

Hard work put forth by the debaters called for some social events, and of course, there were several. Among them were the Halloween Masquerade Party, a Christmas Party, and two summer lawn parties.

To raise money for club functions, the group sponsored cake and candy sales.

*Some late arrivals added to the fun and fright of the evening!!*

*"Who was this ghoulish creature?" was one of the many mysteries of the night.*

# Outdoor Group Expands Activity Program

*Sponsor*—Mr. John M. DeVere

For the second consecutive year, Outdoor Club's diversified program included activities designed to encourage student interest and appreciation for nature and the beauty in it.

Scheduled for the year were hikes in the Nolde Forest, hayrides at the Lazy-A-Ranch, and excursions to the Hershey Arena to see the Hershey Bears ice hockey team.

*Officers of the club were Sharon Cleres, treasurer; Judy Silagy, secretary; Joseph Borzellino, president.*

## Club Membership Continues to Rise

*Sponsor*—Mr. Alan D. Kubacki

One of the groups at Reading High School that sponsored a major part of its club program off-campus was the Ski Club.

Beginners as well as advanced students were encouraged to join. As a result, enrollment was higher than last year.

Field trips to the ski lodges at New Hope and the Poconos constituted the major activities of their group.

*Officers and the sponsor examined a number of brochures from favorite resorts before making final plans for a trip to a popular ski lodge.*

STANDING—Mr. Alan D. Kubacki, sponsor; Theresa Gallagher, recording secretary; Kevin O'Reilly, sergeant-at-arms; Kimberly Cirulli, assistant recording secretary; SEATED—Kathleen Hassler, vice-president

# Club's School Activities Contribute to School Spirit

ABSENT—Maggie Meyers, secretary

*Sponsor—Mrs. Roumal S. Chisholm*

Promotion of school spirit has always been a matter of importance at Reading High School. One organization which has endeavored to fulfill this commitment continuously has been the Serve Our School Club.

Decorating varsity soccer players' lockers and making football posters constituted the club's main school activities.

Community services involved the preparation of a Thanksgiving basket for a needy family and the distribution of Christmas toys for tots.

Normally, an average of twenty-five students met each Tuesday after school to plan, discuss, and finalize projects of the club.

## Service Club Shares Cost of Football Blazers

*Sponsor—Mr. James H. Clontz*

Encouraging goodwill and fellowship among members of the student body was the chief aim of the Hi-Y club.

Two of the main services of this group were ushering at home basketball games, and helping to raise money for the purchase of football blazers through a tumbler sale.

*Plans for ushering at home basketball games were discussed at one of the meetings of the sponsors and club officers.*

SEATED—Vincent Wolf, secretary; Mr. James H. Clontz, sponsor; STANDING—Charles Liggs, president; David Pacella, treasurer; and Timothy Rauen, vice-president

# Club Adds New Project to Help Finance School Marquee

*Head Sponsor—Mrs. Patricia L. Ely  
Assistant Sponsor—Mrs. Linda A. Mitchell*

Knowledge that Y-Teens always sponsors exciting programs and a wide variety of activities resulted in approximately two hundred girls becoming members of this organization.

Dynamic service projects involved members in collecting canned goods to fill holiday baskets for the poor, and a jolly Christmas party for the underprivileged children.

To raise funds, cakes and buttons were sold and a car wash was scheduled. As a new added "money maker," club members successfully sold candles to help provide financial support for a school marquee.

Social events included gleeful Christmas caroling, a fun-filled hayride, and the annual Yuletide formal.

*Officers and their escorts, as well as approximately seventy other couples, enjoyed the annual Christmas formal at the Sheraton Berkshire Inn on Monday, December 27, 1976.*

Jeffrey Lotz, escort; Victoria Smith, secretary; Steven Rossignoli, escort; Zenta Thomas, treasurer; Marianthe Dalaveris, president; Barry Sabanos, escort; Peter Mullenberg, escort; Pamela Hoffmann, vice president; Dave Figura, escort; Kathy Pinkasavage, assistant treasurer

*In a joint club activity, Y-Teens and Key Club spread tidings of Christmas joy to the community through carols.*

Mr. Robert Mitchell, Mrs. Linda A. Mitchell, assistant sponsor; Elizabeth Hoffman, Anne Holden, Kathy Pinkasavage, Mitchell Youngerman, Pamela Hoffmann, Dirk Slater, Marianthe Dalaveris, Cindy Hill, Michelle Levan, Donna Murray

*Band-Aide officers display home-made caterpillars which constituted a new sales item to provide money for the organization's treasury. Mrs. Barbara Tillman, vice president; Mrs. Jean Bowman, president; Mrs. Margaret Smith, secretary; Mrs. Julia Spangler, treasurer*

## Community Group Undertakes New Project

*Highlighting the social activities of the group was the sponsorship of the annual Christmas party for the marching band.*

Parents and friends who gave special moral and financial support to the Reading High School Marching Band were known as the Band-Aides.

This organization served the Reading High School Marching Band for fifteen years, either by rendering community support or general assistance when needed.

Throughout the year, the Band-Aides sponsored fund-raising projects such as the selling of Arby tickets and barbequed chicken, and the selling of tee-shirts for the basketball season.

Social activities included the exciting band parties, community bazaars, a formal dinner dance, and a hayride.

*As in previous years, the annual card party and fashion show constituted the group's popular fund raising project.*

# Alumni Association Observes Golden Anniversary of School

Officers selected for their second consecutive term were Mr. Martin Miller, president; Mr. Clair Hughes, vice president; Mr. Ray Mest, treasurer; Mrs. LaMeta Hughes, membership co-chairman; Mrs. Fianna Holt, membership co-chairman; ABSENT—Mrs. Yvonne Shunk, secretary.

Oldest alumnus attending the anniversary banquet was Mr. Robert E. Delp, 91 years of age.

On Thursday night, May 5, 1977, the Reading High School Alumni Association celebrated the fiftieth birthday of the "Castle on the Hill."

During the banquet held at the Reading Motor Inn, six alumni served as speakers who reminisced about events from the 1920's to 1970's. Recalling the past decades were Mr. Charles R. Hawman, for the Roaring Twenties; Mr. H. Robert Barrett, the Traumatic Thirties; Mrs. Theana Sheetz, the Furious Forties; Dr. Dale W. Gaul, the Fabulous Fifties; Mrs. Paula Macsisak Flippin, the Seething Sixties; and Miss Susan Strauss, the Challenging Seventies.

Climaxing the program was the summarization made by Miss Marion Moyer who served under six principals. She rendered forty-nine years of service to the district, from 1926 to 1975, twenty-five of these were spent at the "Castle."

As an annual project, the association granted scholarship awards to students of the senior class who had meritorious records.

Recipient of the Distinguished Alumni Plaque, awarded annually by the Association, was Mr. John J. Dietrich, graduate of old Boys' High and for many years a teacher and coach of football, basketball, and baseball at the "Castle."

Mr. H. Robert Barrett, master of ceremonies; Mr. Martin Miller, president; Mr. John J. Dietrich, recipient of award

## Athletic Achievement Recognized by Community Organization

Dedicated to supporting Reading High School's overall athletic program throughout the school year was a community organization known as the Boosters' Club.

Through the monthly meetings, club activities and school related projects, members of the group revealed their continuous interest and support of each athletes' achievements as well as the school's total athletic program.

Among the services provided by the Boosters' Club were rendering assistance to the junior and senior high school coaching staffs and rewarding outstanding students for their ability and leadership in the form of scholarships.

Major performances of the versatile A Cappella Choir began on December 17, 1976 with a delightful Yuletide program at the Tenth and Green Elementary School. Four days later, the group sang inspiring carols for the Castle students during the Christmas assembly, followed by a similar presentation the next day at the Charles Foos Elementary School. On December 23, 1976, the singers appeared at the Laurer's Park Elementary School to present a Christmas musicale. With the beginning of the new year, the choir sang majestically for the choral assemblies at the Northeast and Northwest junior high schools on January 26, 1977 and February 2, 1977, respectively. On March 2, 1977, A Cappella provided a musical interlude for the induction ceremony of new members of the National Honor Society.

Scheduled for May 18, 1977 was an Evening of Music featuring A Cappella as one of the main choral groups and various instrumental units. In keeping with tradition, the choir took part in the commencement exercises on June 17, 1977.

For the community, vocalists presented popular Christmas favorites for the Reading Retired School Employees Christmas Banquet held on December 1, 1976. Later, members of the Rotary Club were entertained by the group on December 23, 1976. Senior citizens were delighted by the melodious tunes provided for them at the Horizon Center on January 25, 1977. Other off-campus choral programs were given at the Berkshire Mall on December 10, 1976, and the Community Carol Concert at Northwest Junior High School on December 13, 1976.

Reading's Pretzel City Barbershop Chorus, affiliated with the nationwide Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, invited Reading High School's choral department to enter a quartet for competition in the Second Annual Bushy Rhodes contest. Four members from the A Cappella Choir volunteered to take part in the contest scheduled to take place on Wednesday, April 13, 1977 at the Muhlenberg High School.

Composite ratings earned by the respective groups in the areas of presentation, stage appearance, arrangement, and vocal quality, served as bases for determining the outstanding barbershop quartet. Entrants of the local

area came from six high schools and one junior high school. Muhlenberg and Wyomissing entered three and two quartets respectively, and the remaining five schools, namely Boyertown, Reading, Schuylkill Valley, Mount Penn, and Muhlenberg Junior High, one group each.

Castle vocalists selected for District Chorus held at Nazareth High School on February 3-4-5, 1977 were Roberta Davis, grade 11, and Mark Lash, grade 12. Both sang with the group and as soloists in the Region V State Chorus at the Pottsville Area High School on March 17-18-19, 1977.

Have you ever heard the blending of beautiful voices during the third period while walking in the basement of Reading Senior High? Most likely, it was Mixed Chorus practicing for future performances.

During the holiday season, the chorus and its director, Ms. Sandra R. Sittler, sang for a community Yuletide function at the Penn Mall, and later with other vocal groups for a Christmas assembly at the Castle. In the spring of the year, the chorus was one of the groups featured in the annual Evening of Music held on Wednesday, May 18, 1977.

Unlike previous years, the female members of the chorus served dual functions. Besides being members of the Mixed Chorus, they also took an active part in the Girls' Chorus presentations.

# Ensemble Elective Enables Musicians to Perfect Instrumental Skills

*Director*—Mr. Hiram D. Hoch

Basically, students who selected the instrumental ensemble elective were able to gain valuable training and actual experience in group playing.

In addition, by actively participating in their respective ensembles, these musicians acquired advanced skills in blending and intonation and improved their playing techniques.

Many of the musicians in these ensembles prepared for or were already members of the larger musical organizations such as the concert orchestra, school show orchestra, marching band, and spirit band.

This was a banner year for Reading High football. Reading High School finished with an overall record of 4-6-1 which is the best record any Red Knight team has registered since 1969. Reading's gridmen also finished second in the Central Penn League with a 2-2 record. Furthermore, this was the first time since 1951 that any Castle football team has finished second in any league.

There were several other events that highlighted this year's season. For the first time since 1969, the rugged Red Knight defense registered two shutouts. For the second consecutive year, the Big Red Machine shut out Muhlenberg 7 to 0. Easton was also blanked 14 to 0 which is the first time Reading has beaten the Red Rovers since 1957. Another chief factor which led to make this year's record impressive was the calibre of competition the Red Knights faced this past season. Reading played three strong opponents, namely York, Coatesville, and Pottsville who were rated in the top ten in the state throughout the year. Although losing all three of the aforementioned contests, the final scores in each of the games do not reflect the numerous drives the Castle gridmen made penetrating deep into enemy territory. Finally, Reading tied Liberty 7 to 7, a team which was ranked third in the state last year.

In the sixty-ninth annual battle for the piece of "anthracite coal," Pottsville defeated the Knights in a hard fought game 29 to 6. This piece of coal is symbolically awarded to the winner each year. Even though the Crimson Tide has won the past six years, Reading still holds a 32-30-7 series lead in the state's longest running rivalry.

Individual team leaders were Alexandros Kovras in rushing, carrying the pigskin 121 times for 364 yards. He also topped the team in scoring with twenty-four points. Michael Riley led the squad in receiving by catching thirty-three passes for 405 yards. In addition, he also snagged six interceptions to lead the Knights. Tod Sizemore completed sixty-two of 155 passes to lead the squad in that department.

Reading High School's newly formed sophomore football team was established to allow a smoother transition from junior high football to competition on the high school level. With four junior highs in the district, the sophomore team enabled athletes from those schools to join together, and build a cohesiveness necessary for positive interaction among the players on the varsity level. At the same time, however, they are given the opportunity to enjoy their first football season at the high school without the pressure of competing in a regular schedule against juniors and seniors.

Development of the sophomore team has enabled the football program to nearly triple the turnout of athletes in one year. This increased participation is hoped to be the key to building successful Reading High School football teams in the future.

Berks County Scholastic Soccer League**

ROW 1—Glenn Sell, Kevin Barnhardt, Jon Storch, Michael Kravatz, Martin Canouse, Gary DeWees, Alfredo Marchio, Kevin Reichert; ROW 2—Mr. Curtis Reinik, varsity soccer coach; Todd Evangelista, Daniel Kravatz, David Schaeffer, Craig Bell, Richard Swalley, George Karayianopoulos, Young Kim, Gianni Ferretti; ABSENT — Norbert Knott

*Varsity Coach*—Mr. Curtis Reinik

*Junior Varsity Coach*—Mr. John Crossan

For the first time ever, Reading High School's soccermen earned first place in the Western Division of the Berks County Scholastic Soccer League. This position was achieved as a result of an overall record of 14-5-0. In the team's quest for championship honors, the squad tallied fifty-nine times for a school record.

With Reading's squad in the league playoffs for the first time, they faced an unbeaten Fleetwood team and were defeated 5-0. In the District 3 Quarterfinals, Lancaster ousted the Knights by a score of 2-1. This eliminated Reading from further play.

Leading the team in scoring for the season were Craig Bell, a junior, and Michael Kravatz, a senior, with twenty-eight and ten goals, respectively. During regular season play, Bell registered twenty-four goals, breaking the county record of twenty-two.

Gaining berths on the All-Berks Soccer Team were Michael Kravatz and Craig Bell on the First Team; Daniel Kravatz and Martin Canouse on the Second Team; and Gianni Ferretti and Jon Storch for Honorable Mention. Michael Kravatz, Craig Bell, and Martin Canouse were also named to the Berks County Scholastic All-Star Team.

*Craig Bell, top scorer for the Red Knights, breaks away from Fleetwood opposition in the league playoffs.*

Many people felt that the 1977 Red Knight basketball team couldn't do it, but the Knights proved them wrong as the team completed another successful season by making it to the state tournament for the third time in five years. Even though Reading lost the Eastern Final in a hard fought game, they came within a hair of the state title as they defeated West foe Norwin in the consolation game 65 to 62.

Highlights of the season included the District #3 title game in which Reading defeated arch rival Steelton 65 to 63 in triple overtime. This was the third time the two teams met this season. They faced each other for the final time in the Eastern Final game which Steelton topped Reading for the third time.

Other achievements of the team included winning their own Christmas tournament and defeating county rivals Wilson twice and Boyertown once. As a matter of record, the Knights registered a pair of ten game winning streaks during the season. Finally, Reading finished with a 27-6 overall record and a 5-3 Central Penn record which placed them second in the final league standings.

High scorers for the courtmen were Steven Rossignoli with 556 points, Neil Christel with 463 points, and Peter Mullenberg with 421 points.

There were several players who received outstanding recognition throughout the season. Steven Rossignoli received honorable mention for the All-State team, was a repeater as first team All-County, named to the Christmas All-Tournament team, and also was the Most Valuable Player for this tournament. He was selected Most Valuable Player of the Duke DeLuca All-Star game, and was given recognition as the outstanding player in Berks County. Neil Christel was named to the Christmas All-Tournament team, and was cited as second team All-County. Peter Mullenberg was chosen for the All-State tournament team and also made first team All-County. Finally, Reading's entire backcourt was given honorable mention for All-County for their consistent play throughout the year.

Under the guidance of new coach Richard Binder, the Reading High junior varsity basketball team compiled a 13-8 overall record making their new coach's first season a success. Mr. Binder succeeded Mr. Gregory R. Klein as head junior varsity coach after he served one year.

Reading battled to a 5-3 Central Penn League record placing them third in the final standings. Steelton captured the league crown with a 7-1 log.

Although the Knights lost eight games, the widest margin of victory for the other team was seven points in all but one game. Reading outscored their opponents (1037-994) and most of the games weren't decided until the waning seconds of the final periods.

Jerome Singleton led the junior Knights in scoring with 234 points. Steven Hodge and Kent Christel each scored 153 points while Alexander Ramsey threw in 152 points to aid the Reading cause.

Previous to this year, Reading High School competed with other schools on an independent basis. Starting with the 1976-77 school year, the Knights participated in the Berks Scholastic Wrestling League. With a 4-3 record, the team earned fourth place in league action. In overall competition, the team's log was 7-7.

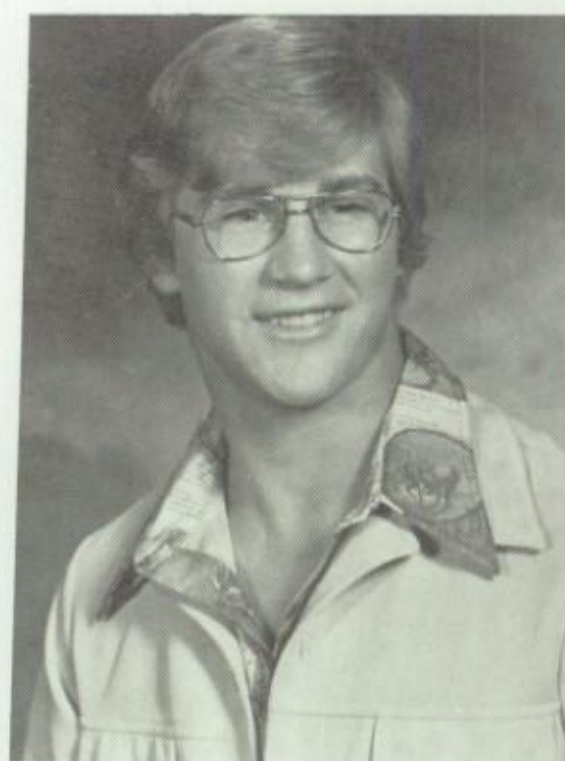

At the Governor Mifflin Christmas Tournament on December 29 and 30, 1976, Reading placed second as a team. Individually, in their respective weight classifications, Alexandros Kovras and Kenneth Thomason earned first place in this tournament; Benjamin Kama, Randall Law, and David Pacella, second; Dirk Evans and Stewart Gumby, third.

In the P.I.A.A. Sectionals Tournament, the team again placed second. In their respective categories, Dirk Evans, Benjamin Kama, Kenneth Thomason, and Stewart Gumby placed first; Alexandros Kovras and David Pacella earned second position.

Selected by the Reading Times for first team honors on the All-County Wrestling Team in the 167 weight class was Kenneth Thomason. His record was 18-2. Reading matmen named to the second team were Dirk Evans (112) with a log of 18-4, Alexandros Kovras (138) with a record of 15-5-1, and Stewart Gumby (119) with a tally of 13-4-1.

*Coach*—Mr. James A. Carpousis

Vastly improved this past season was Reading's swimming squad which posted a seasonal log of 4-5. Last year the team's record was 0-10.

In addition to their better team performance this year, three individual mermen established new school records. Matthew Miller posted his in the 50 meter freestyle event with a time of 23:170, Robert Krause in the 200 meter freestyle with a time of 1:06.8, and Dale Thomas set his in the 100 meter breaststroke with a clocking of 1:06.8.

Swimmers who contributed much success to the squad were Robert Krause, Dale Thomas, Craig Kaucher, Kirk Otto, and Matthew Miller. Robert McIntosh did his share in diving.

Seniors ending their swimming careers at the Castle were Jon Goldberg, Kevin Bean, Aris Carpousis, Athanasios Dialectos, Kerry Miller, and Dale Thomas. Filling the gap left by the graduating of the seniors will be eight juniors and six sophomores.

# Reading and Muhlenberg End in Tie Position in League

*Coach—Mr. Leon H. Schultz*

Four veterans provided the basic strength for the "Castle's" tennis squad, namely Barry Levan, David Woynarowski, Philip Rothman, and Lee Ullman, a third year starter. Giving additional support was newcomer Barry Casper.

In league action, Reading High School's team finished in a fourth place tie in the Western Division of the Berks County Tennis League.

Representing R.H.S. in the Berks County Tennis Tournament were Philip Rothman and Lee Ullman in singles play, and Barry Casper and Robert Kissling for doubles. Rothman advanced to the second round and Ullman reached the quarter finals in singles competition, but the "Castle's" doubles team was defeated in the first round.

*Combined efforts of Lee Ullman and Barry Levan made up the number one doubles team for R.H.S. netmen.*

## Surprise Victor Defeats Former Champions

*Star of the superstars, Keefe Martin, strains to pick up valuable points in the half-mile run.*

What have you got when you combine fourteen of Reading High's star athletes in three days of friendly but gruelling competition? The third annual superstars, of course!

Promoter Kenneth Oudinot scheduled various contests to be held on May 10th, 11th, and 12th, in the old gym. Events included were weightlifting, dolly races, chin ups, one-on-one basketball, 100-yard dash, football throw, half-mile run, 50-yard swim, obstacle course, and step climbing.

Each contestant picked eight of the ten possible events. Point champions were determined through a point system which gave ten points to an event winner, seven points for a second place, five for a third place, three for a fourth place, and one for a fifth.

Placing first with 48 points were Keefe Martin, followed by Dirk Evans with 43 points, and Chris Esposito with 42 points.

# Castle Linksmen Earn Division Title in Berks County Golf League

*Coach*—Mr. Richard Crist

Named as new mentor of the Reading High School golf team was Mr. Richard Crist. He succeeded Mr. Carl Boltz who coached Castle golf squads for nineteen years.

Members of the Reading High School's golf team had cause to be overjoyed this past year when the squad clinched the Eastern Division title in the Berks County Golf League with a winning record of 10-0. This jubilant feeling was short lived, however, when the squad was only able to place third in District 3 Regional competition. No one qualified for the state finals.

Personnel on the squad included Kevin Eberhart, Darnell Eltz, Jeffrey Hidalgo, and Kevin Lydon, all seniors. Underclassmen were Jeffrey Rissmiller, Robert Krause, Charles Krick, Mark Stabolepszy, Charles Yrigoyen, all juniors, plus five sophomores, namely Steven Abramowicz, Barry Casper, Leon Kowalski, Gregory McCullough, Eric Schaeffer.

For the first time in the history of the school, Darnell Eltz, a girl, was a team member. In the girls' Berks County golf tournament, she earned a third position.

All home league matches were held at the Berkshire Country Club.

# Castle Harriers Finish in Runner-Up Position for Second Consecutive Year

*Coaches*—Mr. Joseph C. Geesey  
Mr. Thomas Johnson

For the second consecutive year, the Reading High School harriers earned second position in District I Berks Scholastic Cross Country League competition.

With two away victories against Holy Name and Muhlenberg respectively, at the beginning of the season, R.H.S. harriers brought home with them a tie for first place with Exeter in the league standings. This tie position was held by the Castle runners until they met Exeter on Reading's home course. As a result of a loss to the visitors, Reading dropped into second position, a place they held until the end of the season.

Darren Anastasio with a 14:50.8 run broke the school record in the last meet of the season against Governor Mifflin on Reading's 2.9 mile course in Hampden Park.

## Kegmen Roll to Second Place Position in League

*Coach*—Mr. Kerry M. Woodworth

Celebration of the ninth year of Reading High bowling in the Berks County league was highlighted by the team placing second in league competition. By placing second, the Reading Kegmen kept up Reading's winning tradition of never finishing lower than second place in the league since bowling has been a sport at Reading High School. League championships were clinched in 1969, 1970, 1972, and 1975. Second place positions were secured in 1971, 1973, 1974, 1976, and 1977.

As a team, Reading placed second in the county bowling tournament. Individually, senior Glen Killian captured first place with a record total of 1661 points.

Three Reading bowlers had individual averages which placed them among the top ten bowlers in Berks County. Placing second, with an average of 188 points, was Glen Killian. Fourth place was earned by Terry Davis who averaged 187 points per game. Scott Painter captured eighth place with a 186 point average.

*Captain and three year returning veteran Glen Killian won county and district championships as well as third place in the state tournament.*

*Senior bowlers intently await the results of the tally after a close round of play.*

Gym classes, intramurals, and an extensive interscholastic sports program for girls as well as boys constituted the Castle's major athletic activities.

Success of the total athletic program was assured as a result of the countless administrative, supervisory, custodial, and miscellaneous services provided respectively by members of a group known as the Auxiliary Sports Personnel.

Changes in the administrative field consisted of

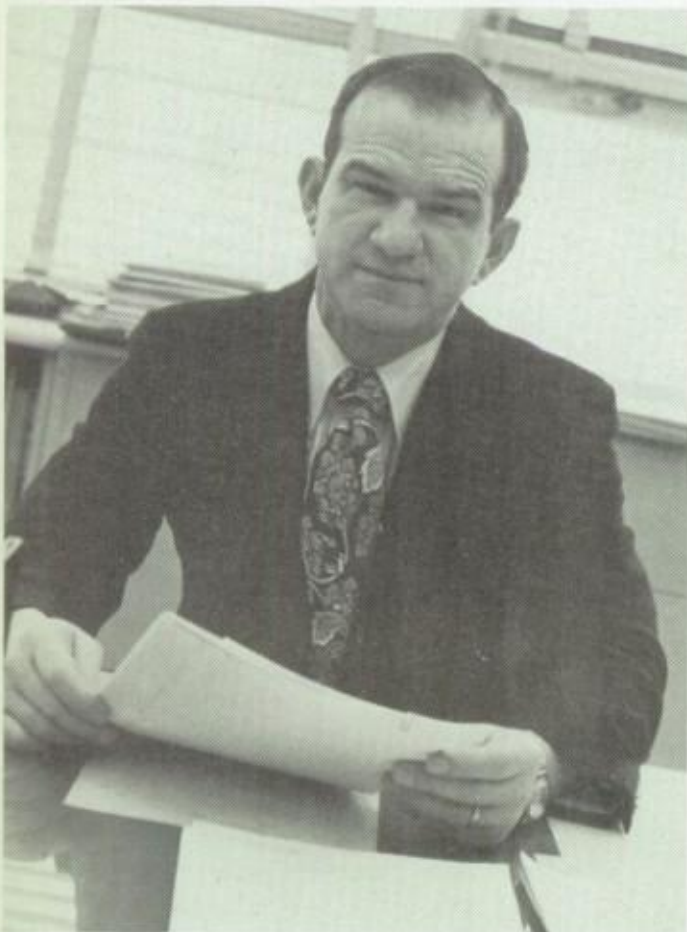

*Mr. Robert J. Perugini, Director of Athletics, for the Reading School District, had the gigantic task of arranging all details pertaining to the school's interscholastic sports program.*

# Determined Hockeyettes Stun League Leaders

*Head Coach* — Miss Debra D. Klink  
*Junior Varsity Coach* — Mrs. E. M. Vasilia Hinkle

Since its introduction as a fall sport five years ago, girls field hockey has been attracting a greater student interest annually. In the first year, competition was limited to non-league action. Because of the increase in popularity of the sport, the Reading High School hockeyettes became a member of the Berks Scholastic Girls' Field Hockey League. This season marks the fourth year of participation in this league.

Although the team record this year was not as impressive as previous years, both opponents and officials alike commented on the team's steady improvement on the playing field. Evidence of this fact came to the foreground later when the Castle ladies tied two of the county's best teams, namely Muhlenberg and Wilson who finished their seasons second and third, respectively in league competition.

Lynda Adams, the Red Knight goalie, recorded ninety-two saves and a single shut-out during the twelve game season. Robin Patton, Patricia Hill, Kathy Bohn and Brenda Gaul each scored goals in an effort to further the team's cause.

# Bowlers Capture Fifth Consecutive Section 1 Crown

*Coach*—Mrs. Rita P. Burkey

Since their entrance in competition five years ago, the girls' varsity bowling squads have earned the honor of capturing five consecutive sectional titles and two league titles in the Berks County Bowling League, the latter being achieved in the first two years of competition.

Highlighting the team's efforts this season were such achievements as bowling the first and second best team games in Section I with 939 and 931 pins, consecutively. Reading's team also won the team championship in the Berks County Tournament. In this same event, Coleen Pfleger, a three-year veteran of the team, earned second place honors while Charlotte Watt, a junior, placed third.

Holding the high averages individually for the '76-'77 season were Linda Snader with a 172 average, Kim Wentzel 170, Charlotte Watt 169, Vicki Hertzog, 159, Coleen Pfleger 156, and Jayne Richards 156.

With the outstanding record of 39½ wins and 5½ losses, Reading High's junior varsity team captured first place in the Berks County League.

# Veterans Provide Nucleus of Strength in Successful Season

*Coach—Miss Linda Covert*

With a mixture of a new, enthusiastic tennis coach, the use of eight newly-built tennis courts, and six players returning from last year's team, three of which were starters, how could any team not be successful? Well, the girls' tennis team took advantage of these assets and completed their spring season with an impressive record of ten wins and two losses. This put the Lady Knights in second place in the Berks County Tennis League.

During the season, several members of the team participated in league tournaments. In the Berks County tournament, Janet Himmelreich and Patricia Greth competed in singles competition and each advanced to the semi-finals. One of the doubles teams composed of Susan Mogel and Nancy Rahn also reached the semi-finals in the same event while a second doubles team, consisting of Debra Dersh and Sandra Van Buskirk, reached the quarter-finals.

Seniors Janet Himmelreich and Patricia Greth were selected to participate in singles and doubles competition in the District tournament held at Elizabethtown.

# Pool Records Brighten Third League Season

*Coach—Mrs. Ruth Hartman*

This year marked the third season of league competition for Reading High's mermaids. Although the team's record of five wins and four losses was not as impressive as last year's, the lady swimmers swam well enough to boost their overall record to 21 wins and 9 losses. This gained Reading's team third place in the Central Penn Conference.

Highlighting the '76-'77 season were three pool records set by R.H.S. swimmers. Nancy Gruber, a ninth grader, set one of these records by swimming the 100 yard backstroke at 1:08.8. Earning the two remaining record breaking wins was Lisa Pingitore, a sophomore, who swam the 50 yard freestyle at 25.876, and the 100 yard freestyle at 56.9. Lisa also was the team's top scorer by accumulating 112 individual points during the season. Next to Lisa in the list of top scorers was Tracey Hiestand with 99 points.

A junior, namely Kathy Miller, was named the number three diver on the Central Penn Conference All-Star Team.

## Varsity Hoopsters See Play-Off Action

*Varsity Coach*—Miss Kathleen A. Formiconi  
*Junior Varsity Coach*—Mr. Robert Heebner, Jr.

As a result of a successful 12-9 season record, the girls' varsity basketball team qualified for play-off action for the first time in its three year league history.

In the first round play-off game with Lebanon, Reading's squad suffered an agonizing loss by a mere two baskets. Despite the fact that the girls were knocked out of the tournament after the first game, everyone took pride in their ability to advance to the play-off competition.

Much team work, the stress put on defensive play by their coach and the girls' desire to win all played important roles in the Lady Knights' successful season.

# Early Season Outlook Shows Promising Season

*Coach—Mrs. Ruth Hartman*

By showing a great interest in last year's rookie softball team, girls were able to participate for another season.

This year's league consisted of the same schools as last year. These were Muhlenberg, Wilson, Governor Mifflin, Conrad Weiser, Schuylkill Valley, Hamburg, and Exeter.

Five home and five away games made up this season's schedule. Home games were played at Keffer Park.

Leading batter Robin Patton and pitcher Brenda Frey were nominated to participate in the All-Star Game.

*Head Coach*—Mr. Robert L. Tyson  
*Assistant Coach*—Mr. Robert Heebner, Jr.

In order to compete on a broader scale of competition, the 1977 track team added three new meets to this season's schedule. Two of these being dual meets with Marian High School and Harrisburg High School; the other one being an invitational, namely the Hershey Relays.

Placing third in the Stephen Relays on April 23, 1977 and second in the All-County Schuylkill Valley Invitational on May 19, 1977 were among the team's credits.

Individuals earning recognition for the Reading High School team in District Three Triple A competition on May 21, 1977 at Shippensburg State College were Lydia Davis, second in the long jump; Valerie Jackson, fifth in the long jump, and Belinda Robertson, third in the 100 yard dash and fourth in the 220 yard dash.

# Twelve Varsity and Intramural Sports

## Sponsored by Organization

*Sponsor—Mrs. Rita P. Burkey*

Providing an extensive extra-curricular athletic program for the girls served as the main objective for the Girls' Athletic Association.

Throughout the year, the group sponsored the following varsity sports: field hockey, bowling, tennis, swimming, basketball, softball, and track.

Intramural activities under the direction of the organization were dancercises, table tennis, tennis, basketball, and volleyball.

In addition, the Girls' Athletic Association presented awards and varsity letters to those students who qualified through active sport participation.

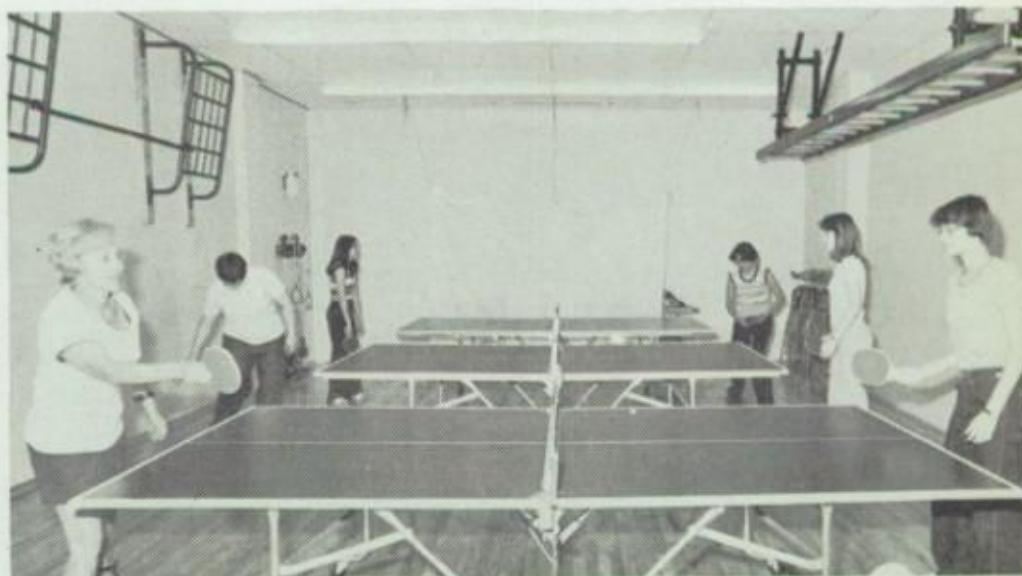

Climaxing the association's program was the annual banquet which was held this year at the Crystal Restaurant on Monday, May 23, 1977.

*Serving at the refreshment stands constituted one of the additional ways girls could earn points for awards.*

# Tennis Starts G.A.A. Intramural Program

*Sponsor — Miss Kathleen A. Formiconi*

Opening the Girls' Athletic Association's list of intramural sport activities for the fall season was tennis.

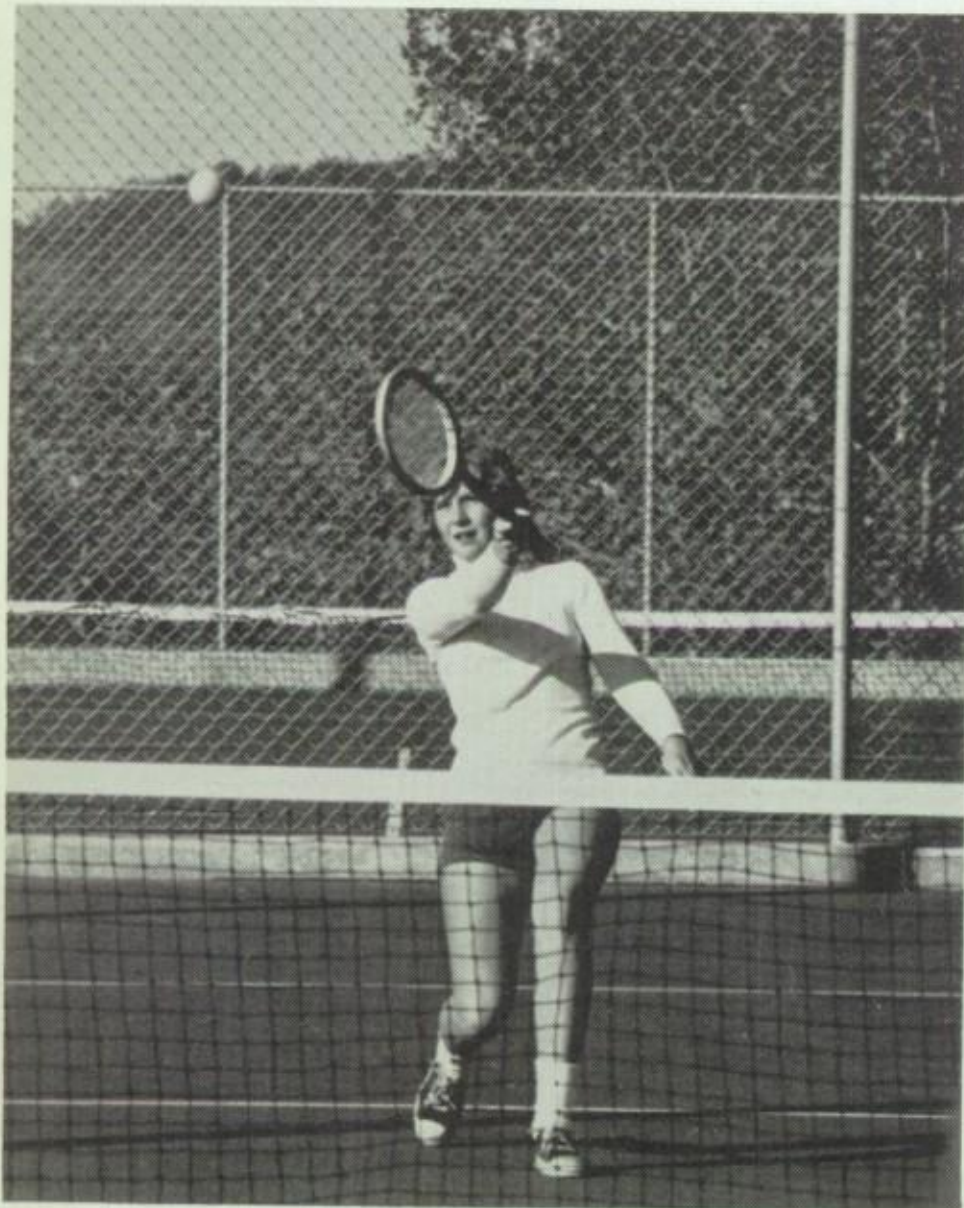

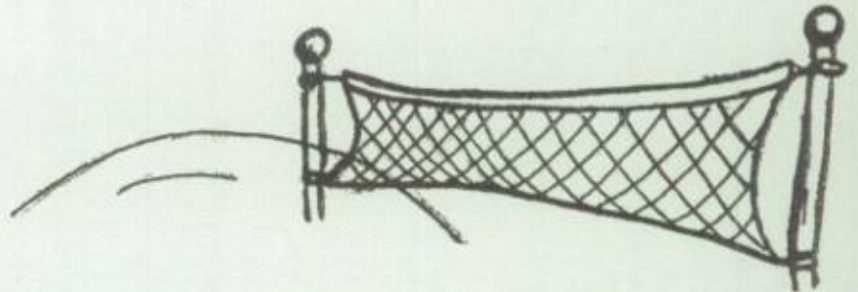

Taking part in this activity were eight tennis enthusiasts who practiced after school on the newly-built Hampden Park courts on Mondays and Wednesdays throughout the month of October. This past year the tennis facilities at the park were increased from four to eight courts.

For the most part, the girls engaged in this sport to learn or improve their tennis skills and techniques rather than to compete for definite rank.

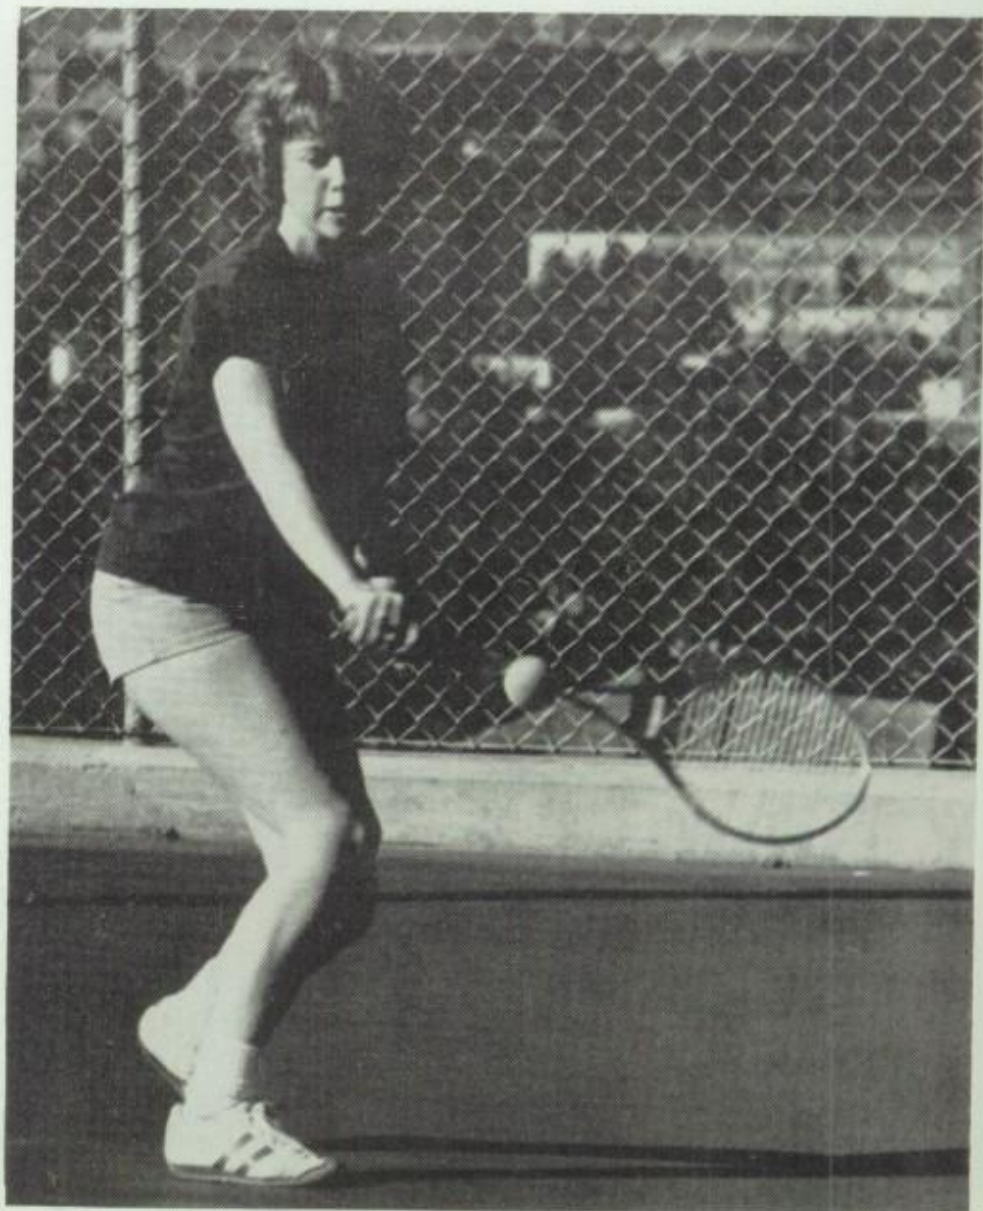

By participating in this sport, the girls could earn points to help them qualify for awards granted by the Girls' Athletic Association at the end of the year.

*Throughout the season, Miss Kathleen A. Formiconi, sponsor, showed the girls ways of gaining additional tennis skills.*

Patricia Greth, Susan Mogel, Debria Dieffenbach, Sandy Sowa, Miss Kathleen A. Formiconi, sponsor; Holly Lutz, Mary Fry, Vivian Urkuski, Charlotte Watt.

*During one of the practice sessions, Mary Fry concentrates on perfecting her forehand volley.*

*By participating in the intramural program, Susan Mogel improves her tennis techniques for varsity competition.*

# Archery Reappears On The Sport Scene

*Although enrollment was small in number, enthusiasm was great.*

Janet Bellman, Sandy Sowa, Holly Lutz, Debria Dieffenbach, Coleen Pflieger, Susan Mogel

*Sponsor—Mrs. Rita P. Burkey*

After a two year absence from the Girls' Athletic Association intramural activities, archery was added to provide variety to the fall program.

Members of the group met twice a week after school during the month of October to perfect the skills of this lifetime sport.

## Hoopsters Profit From Pre-season Clinic

*Sponsor—Mr. Robert Heebner, Jr.*

Succeeding Mr. James Gano as sponsor of girls' intramural basketball this year was Mr. Robert Heebner, Jr. This coaching assignment was in addition to Mr. Heebner's regular duties as coach of the girls' junior varsity basketball team.

Participants taking part in this program were able to review the essential parts of the game and improve their basketball skills.

*Girls in the intramural basketball program played for fun rather than for definite rank.*

# New Activity Added to Intramural Program

*Participants enjoyed a refreshing game of table tennis during the intramural table tennis program.*

*Table Tennis Sponsor—Mrs. Rita P. Burkey  
Volleyball and Dancercises Sponsor—Mrs. Madeline C. Amoroso*

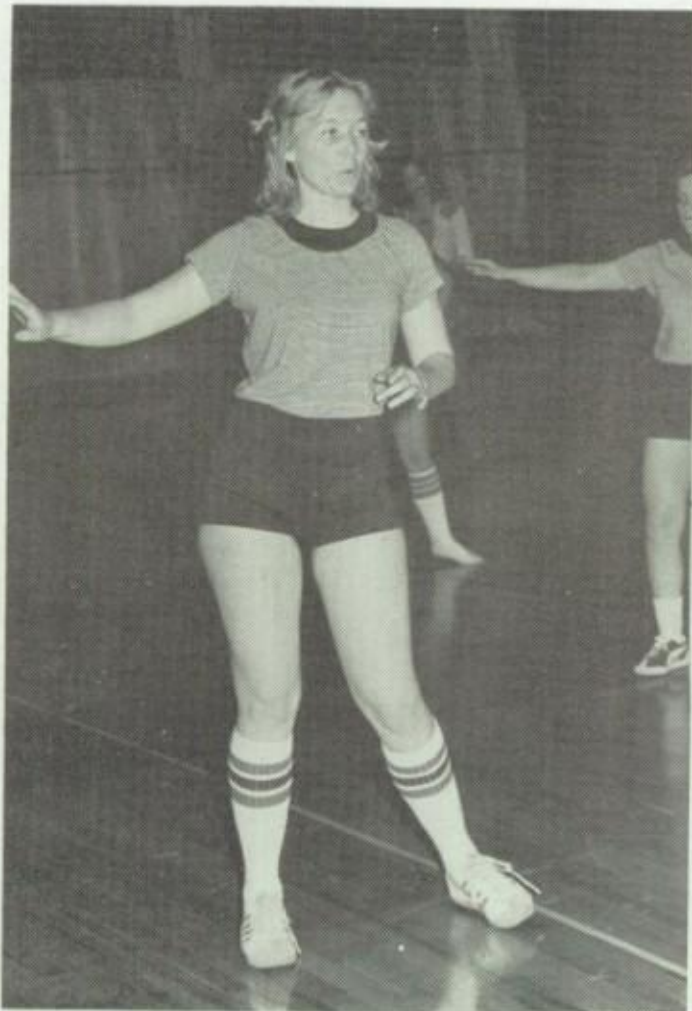

In the spring of the year, the Girls' Athletic Association sponsored the last three intramural sports for the ladies at the "Castle." These were intramural table tennis, dancercises, and intramural volleyball.

As a special feature, boys were invited to participate in volleyball contests.

Newly added to the intramural program was the combination of exercises and dancing, commonly known to the girls as dancercises.

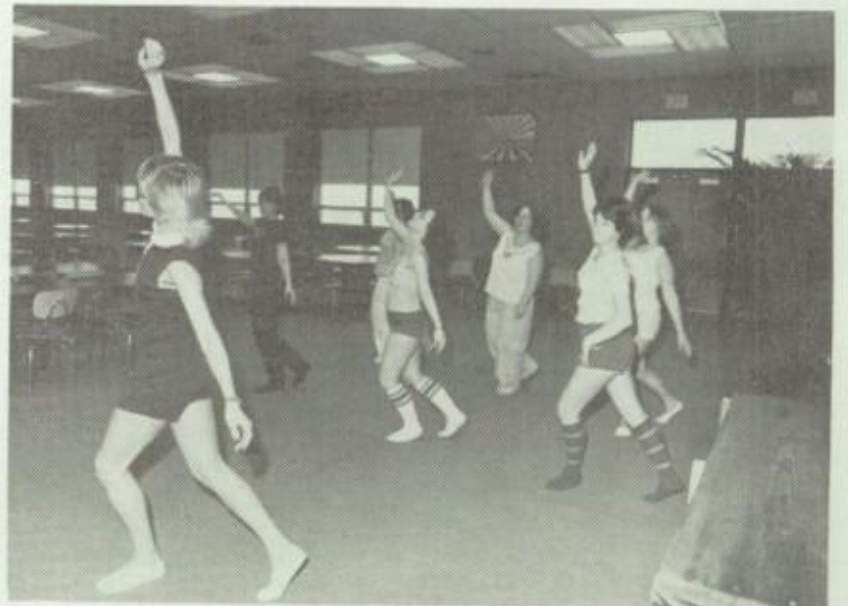

*Intramural volleyball was a good source of fun and exercise for all involved.*

*Dancercising proved to be a popular activity in the gym classes.*

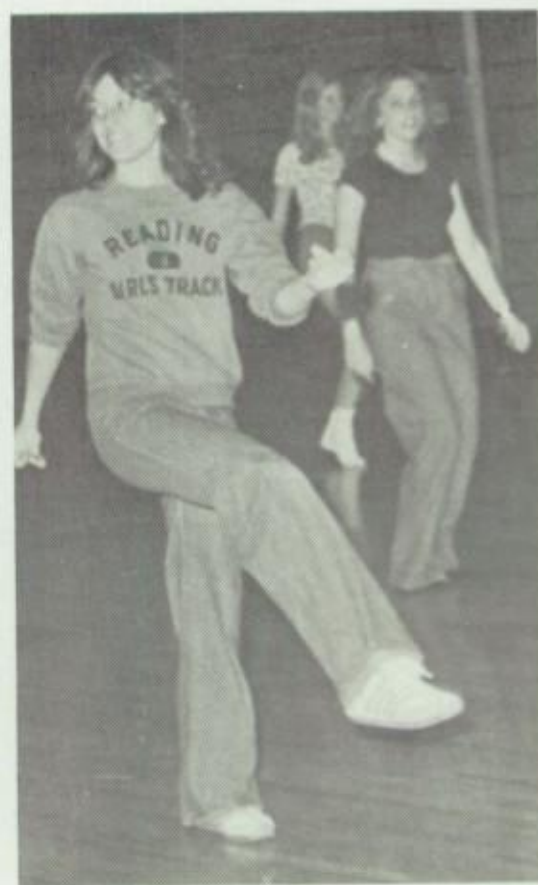

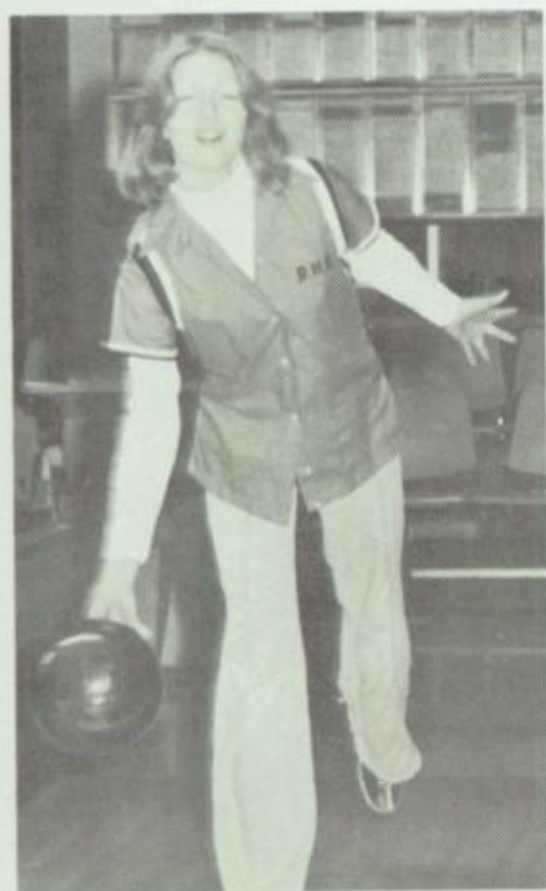

Debbie Bortz

*After school sessions of dancercising in the cafeteria were for those who wanted more individualized instruction in this activity.*

Sponsor—Mr. Ronald L. Spickler

Since the 1971-72 school term, Key Club has sponsored an annual Homecoming Queen Contest. This year sixteen candidates competed for the coveted title.

Selection of the queen was by individual ballot submitted by the student body. Five girls who received the highest number of votes became finalists. They were Santina Bolig, representing Key Club; Marianthe Dalaveris, Chess Club; Pamela Hoffmann, Castle Spirit Club; Victoria Smith, High-Y Club; and Zenta Thomas, Debating Club.

Later, each student voted for one of the finalists.

As a result of receiving the greatest number of votes, Marianthe Dalaveris, who represented Chess Club, had the honor of being selected by the students as Homecoming Queen for the school year of 1976-77.

Sponsorship of the Homecoming Queen contests, originally known as the Activity Queen competition, constituted a major project of Key Club annually for a period of twenty-three years.

# Smile, You're on Arxalma Camera!

What's the first thing you notice when you meet someone? A smile, what else!

Try your skill! See how many of these smiles around the Castle you can identify. As you pass through the halls, see if you can find them, they're there. If you can't, the answers are on page 214.

## Percy Price

"Castle" junior Percy Price captured first place All Around champion in the National Boys' Invitational Meet and second place All Around in P.I.A.A. district competition. Percy toured South Africa and is a member of the South African United States Touring Team. He also belongs to the Junior National Team for Boys and the National High School Meet, and is an All-American in high school gymnastics.

## Roxann Evans

When Roxann Evans first began her gymnastics career in seventh grade, she studied it just "for fun." Now she is a high school junior and a champion. Roxann had a very successful 1977 season as she won the P.I.A.A. District and State Championships. She placed fifth in the United States Gymnastic Federation State Championships on March 26, 1977 which qualified her for the U.S.G.F. Nationals held in Phoenix, Arizona on May 25. The team from the Berks Gymnastic Academy where Roxann studies also placed first in the Middle Atlantic Gymnastic Directors Association dual meet B-East division. As a sophomore, Roxann took first place in the Junior Olympic District Competition.

## Sandra L. Schlessman

Sandra L. Schlessman, a senior, began her karate instruction in the middle of her sophomore year. She has studied under Master George A. Dillman and Miss Kim Fritz, both of the Dillman Karate Institute. Sandy's karate experience has been in both group and private lessons. She has successfully completed the requirements for the rank of third degree brown belt. In addition, she is an expert in the oriental weapons bo and nunchaku, and beginning instruction in the kama or sickle. Sandy has won numerous karate tournaments throughout the East Coast and the Mid-West totaling forty-eight trophies.

Miss Kim Fritz, instructor; Sandra Schlessman

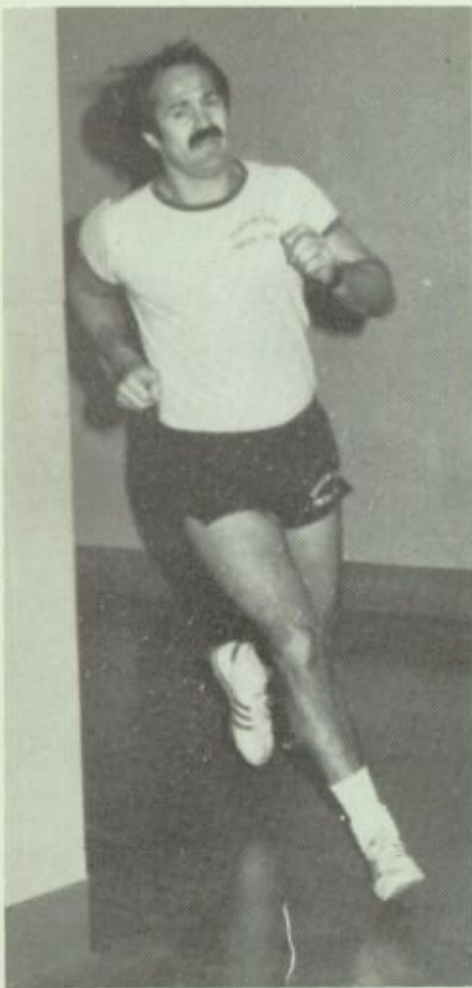

## Joseph Salvatore Michael Feeney

After four years of study at the American Karate Academy, Joseph Salvatore, a senior, and Michael Feeney, a junior, received first degree black belts on February 25, 1977 from their instructor Mr. Gerald C. Boyer.
